# **Classbase 7 Curriculum Outline Term 3**

Dear Parents and Carers, I hope everyone has had a lovely Christmas and New Year. I can't believe we have already completed two terms! Kind regards, Rachael Watt, Class Teacher and Lynn Angus and Alana Bogle, EYPs

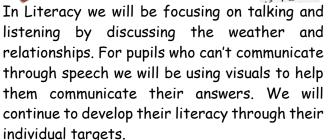

# Health and Wellbeing

Gym is still Wednesday and Thursday where we will be looking at movement through dance and gymnastics. In class we will be looking at friendships and relationships, so please send in photos of family and friends through Seesaw so we can discuss this in class.

## Literacy

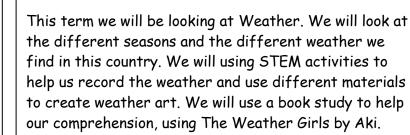

### Numeracy

In Numeracy will continue to extend their individual targets in number. We will focus on looking a time by looking at Seasons, Calendars and looking at clocks. In our Weather topic, we will be creating charts to help us understand and map the weather.

## Interdisciplinary Learning

#### Theme

This term we will be looking into Rabbie Burns, Chinese New Year, Holi and Easter. We will use book studies to help pupil's comprehension using Rabbie's Rhymes, Dragons in the City and Holi with Rainbow Clouds.

# Outdoor Learning

CB7 will be continuing our Outdoor Learning through creating weather stations and Den building. We will use natural materials down in the woods to create natural dens with wood, mud and sticks. We will promote pupil's independence by getting them to pick correct outerwear to correspond with the weather. We ask for pupils to bring in suitable clothing i.e. scarf, hats and gloves.

#### Reminders

#### <u>PE</u>

Please make sure you have gym kit (black shorts, black plimsolls and white T-Shirt) at school or in your bag on these days. Nut Free School

We are a nut free school. We have pupils and members of staff with allergies to please don't bring snacks with nuts to school (hazelnut/Nutella chocolate spread, snickers, Bueno etc.) Thank you!
