

# Elderbank Primary School

Classbase 10 - Mrs Bembom

Term 4 - 2023/2024

Welcome back Classbase 10! We can't quite believe we are already in Summer Term! We have an exciting term ahead before we begin our transitions into Primary 3 and 4.

## Literacy

This term, we are incorporating a strong focus on life skills, which includes making shopping lists and learning to identify items on our list when we visit the local shop. Our theme this term will be The Beach/Under the Sea and will include stories such as 'Commotion in the Ocean' as a weekly focus.

## Numeracy

In Numeracy, we will be building on our knowledge of money by transferring the skills we have learned into real life contexts. As a class, we will visit the café and local shop on a fortnightly rotation so pupils can experience handing money over, buying items and calculating totals. We will also be continuing to explore time, focusing on a range of skills such as identifying numbers on a clock and learning to tell o'clock, half-past, quarter to and quarter past times.

## Health and Wellbeing

During P.E, we will be beginning to follow simple instructions to complete activities and games. Pupils will also continue with Rebound Therapy, something they all enjoy! We will be learning to identify feelings and exploring how these can affect us and what strategies can be used to help co-regulation and self-regulation.
