

# Classbase 7 Curriculum Outline Term 4

Dear Parents and Carers,

I can't believe we are now going into our last term together. It has been such a quick year so far. We have lots of fun things planned for this term.

Kind regards,

Rachael Watt (Class Teacher) and Lynn Angus and Alana Bogle (EYP)

## Health and Wellbeing

Gym is still Wednesday and Friday where we will be looking at ball and racquet skills. In class we will be looking at our body and how we grow and change. We will be focussing on food hygiene practices such as storing food correctly and washing fruit and vegetables before consuming.

### Literacy

In Literacy, we will be focusing on reading by using cut and stick activities to express our thoughts and feelings. We will use visuals to ensure pupils understand their targets by using 'Now and Next' strips or routine strips. We will also be focusing on environmental print and recognising signs while out in the community.

### Numeracy

In Numeracy, we will continue to extend individual's targets in number. We will be focusing on numbers to 20, ordering, sequences and number before, after and in-between. In class, we will look at addition and subtraction to 20 using number songs and concrete materials.

### Outdoor Learning

CB7 will be taking part in regular Outdoor and Community Learning. We will be visiting parks, the Library and cafes. We hope to use public transport to broaden our learning experience so if pupil's have National Entitlement Cards we would appreciate the use of them on these days. Travel and experiences using local amenities will support life skills and the ability to emotionally regulate in public.

Please remember hats and sun cream on hot days.

### Interdisciplinary Learning

This term we will be learning about plants and how to look after them. We will use 'Jack and the Bean Stalk' as our book study to support the topic.

### Reminders

#### PE

Please make sure you have gym kit (black shorts, black plimsolls and white T-Shirt) at school or in your bag on these days.

#### Nut Free School

We are a nut free school. We have pupils and members of staff with allergies to please don't bring snacks with nuts to school (hazelnut/Nutella chocolate spread, snickers, Bueno etc.) Thank you!

### Theme

This we will be looking at Deaf Awareness Week by continuing to look at simple BSL signs.

thank you
