

Elderbank Primary School

Classbase 10 - Miss Bembom

Term 3 - 2024/2025

We hope you had a wonderful Christmas and a Happy New Year! We are looking forward to a very busy term filled with seasonal events such as Valentines Day, Burns Night and Easter! Miss Bembom, Mrs Burns, Miss Forrester and Mrs Baldock

Literacy

In term 3, will take part in mini literacy projects such as 'The Hungry Caterpillar', which will ensure children are given opportunities for inter-disciplinary learning. We will continue to focus on mark making through a range of media. As a class, we will introduce 'nursery rhyme time', giving pupils the opportunity to make choices, build on their knowledge of Makaton and take part in group activities.

Numeracy

Pupils will be introduced to a new morning welcome routine which will incorporate aspects of numeracy such as colours, weather and filling in our daily calendar. Some pupils will continue to build on their knowledge of numbers through songs and play, while others will begin to identify numbers and count through active learning opportunities.

Health and Wellbeing

As a class, we will be focusing on establishing more concrete snack and lunchtime routines. Pupils will be encouraged to identify and bring over their own lunch box, where appropriate. Pupils will also be given the opportunity to set the table for meal times. We will continue to work on individual personal care targets such as toileting and clothing.
