

## Primary 5/4 Home Learning 24/1/25

<u>Literacy</u>	<u>Numeracy</u>	<u>Health and Wellbeing</u>
Practise your poem: Elephant. Think about what actions you could add.	Go on Topmarks and choose any Maths game to work on.	Find a 'Just Dance' Video on YouTube and complete it.
Read a few pages of your book. Choose from one of these options: - Write a prediction about what is going to happen next in your book (2-3 sentences). - Write a summary of what you have read (3-4 sentences).	Count the number of light switches you have in your house. Can you double your answer and then add your age? Challenge - can you multiply your answer by your age?	Can you create an indoor obstacle course using objects from your house?
		<u>Across the Curriculum</u>
Choose an active spelling strategy to practice your spelling words, i.e. - Play a game of hangman - Pyramid writing	Choose a times table to practice. Create a game to practice your times tables.	Create a poster about Scottish culture. Include symbols like the thistle, the Saltire flag, bagpipes, and tartan. You can also add fun facts about Scottish traditions, food, and famous people like Robert Burns
