

# Classbase 11 Home Learning Grid 24.1.25

Below are some suggested activities to choose between. There is not expectation to complete all activities.

## HWB

Practice brushing your teeth at home. Can you do this independently?

## Writing

Work on your fine motor skills by mark making or drawing. You can use pencils, pens, crayons, chalk or paint. Have fun!

## Listening

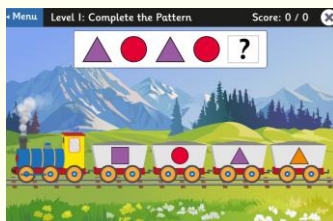

Our topic in class is 'Bears', listen to 'Bear Hunt' and act out the story.

## Physical Education

Keep Active with 'Go Noodle'  
<https://www.youtube.com/watch?v=ok7V1pWtRzs>

## STEM

Use your problem solving skills to build a den with materials you have at home. You can do this inside or outside.
