Communication Update

It is hard to believe we are in term 3 of session 2024/25 already. The children have all settled back into the Early Years after the Christmas break. I am delighted that we have welcomed some new children to our Early Years community this term.

Following the change in our model, we have been making updates to some of our policies. To provide you with more regular updates of how your child is progressing in Early Years we will do the following:

- August-December learning journeys will be shared via SeeSaw by the 31st January.
- From 20th January you will receive a SeeSaw update fortnightly about a learning experience your child has engaged with.
- You will receive your child's January-March learning journey by the 25th April and your child's April to June learning journey by the 27th June.

If you would like to see your child's learning journey throughout the session, please speak to Mrs Carruthers to arrange an appointment.

If you have any questions, please contact me on 01294 218632 or speak to Mrs Carruthers.

Thank you for your continued support.
