

Happy Easter! We hope you all had a lovely two weeks off and feeling refreshed and ready for term 4! We can't quite believe it's Summer term already! Miss Bembom, Mrs Burns, Miss Forrester and Mrs Baldock

Literacy

As we have progressed throughout the year, pupils have become more engaged in structured activities such as morning welcome and nursery rhyme time, that we introduced last term. This term, we are continuing to build on our focus and attention skills through new activities and approaches such as 'What's in the bag?' and 'Dough Disco Time'.

Numeracy

In term 4, we will be focusing on days of the week and months of the year and incorporating this into our morning welcome. We will also be exploring measurement using non-standard units such as using our hands to measure objects or filling and emptying containers in the sand and water trays. Some pupils are continuing to build on their knowledge of timetables and routines and will be introduced to new visuals to support this.

Health and Wellbeing

Tooth brushing is going to be a big focus of Health and Wellbeing next term. The children will have the opportunity to brush their teeth at school and also learn about why it is important to brush their teeth. We are looking forward to resuming P.E. and continuing to work on our gross motor skills. Hopefully we'll be able to use the outdoor areas for P.E more as the weather brightens up towards Summer! .
