

Classbase 11 - Mrs Mclean and Mrs

Jarrott

Term 1 2025-26

Dear Parents and Carers,

Welcome back to our returning pupils and a warm welcome to our new pupils, we hope you have had a lovely summer. This newsletter will give you an idea of what the children will be focusing on this term. If you have any questions please get in touch, we are here to help.

**Mrs Mclean/Mrs Jarrott Class Teachers and
Mrs Blakeley EYP**

Health and Wellbeing

This term we will be establishing routines with the children throughout the school day. We will look at helping them to become familiar with their new and returning environment, whilst supporting them in the different transitions throughout the school day. Our main focus is to build relationships with the pupils and their peers through play based activities.

Numeracy and Maths

The children will have the opportunity to experience number through songs and play using concrete materials. We will explore colour and shape by looking at how we can sort objects into different categories.

Literacy

In Literacy, they will take part in activities which will help develop their fine motor skills. We will focus on communicating with the children based upon their individual needs and encourage listening and following instructions through action songs and interactive activities.

Information

- PE is on a Wednesday and a Friday.
- We are a nut free school. We have pupils and members of staff with allergies so please don't bring snacks with nuts to school (Nutella/hazelnut chocolate spread, Snickers, Bueno, etc.). Thank you.
