

# Elderbank Primary School

## Home / School Info.

### Health and Wellbeing

Our focus for Health and Wellbeing this term will be building confidence in ourselves and developing a positive mind-set.

### P.E

In P.E, we are developing our team building skills in netball and our agility and balance through gymnastics.

P.E. days are Tuesday and Thursday.

### Expressive Arts

**Drama** - We will be working on our improvisation and role-play skills through our topic.

**Music** - We will be developing skills in listening and appraising a range of music linked to our topic.

**Art** - Our topic will create opportunities for the children to develop their knowledge and skills in colour mixing and shading.

### Numeracy

This term we will focus on place value, ordering numbers to tens of thousands. We will also focus on the four functions of addition, subtraction, multiplication and division.

### Maths

In maths, we will be reading and analysing different data methods such as pictograms and bar graphs before carrying out our own data investigations and drawing conclusions from the results.

### Problem Solving

This term, our focus will be on working systematically.

### Literacy

**Reading** - This term we will continue to develop our comprehension skills through a variety of texts including our class novel 'The Spiderwick Chronicles', working in groups and independently to further our understanding of issues covered.

**Grammar** - In grammar, we will be developing our knowledge of different word types with a focus on nouns, verbs and adjectives.

**Writing** - This term, we will be learning about the features of recounts before planning and writing our own recounts. Pupils also receive daily writing opportunities to improve their core writing skills.

**Science/Topic** - In science/topic, we will be learning about the Solar System. We will learn the names of and facts about each planet. We will investigate the order of the planets from the sun as well as planet size and distance in relation to each other. We will also learn more about famous space explorers.

**RME** - We will focus on the Jewish festival of Pesach.

**ICT** - This term, we will be developing our knowledge of the software package PowerPoint. We will be learning how to manipulate the size and colour of shapes as well as how to add text to a slide.

### Homework

Homework task boards will be set each month, covering 4 weeks of homework. This will include a mixture of Literacy, Numeracy, Outdoor Learning and Health and Wellbeing tasks.

We ask that children complete 2-4 tasks per week. Written work can be brought into school to be marked.
