

The Adventurers Term 2 Newsletter

Dear Parents and Carers,

Term one has been very successful. The children have made new friendships and have settled into the routine of the class. In term 2, we will continue to reinforce routines and friendships along with working on our targets. We are hoping to get out and about in the community this term and explore the outdoor areas.

Health and Wellbeing

In term 2, our PE sessions will be focussing on jumping, hopping, skipping, climbing and balancing. We hope to get the climbing frame out this session, however all children must wear shorts when using the apparatus. During our walks outside the school grounds, we will be looking out for common dangers to ensure the children have an understanding of safety near traffic. The Adventurers will continue to hang their own jackets up in the morning and bring water bottles and snacks into class with encouragement. Some children will be trying to become more independent by fastening their coats and putting on their own shoes with verbal prompting from staff.

Mathematics and Numeracy

The Adventurers will be engaging in a variety of maths topics this term. All children will be exploring money. We will be setting up a shop in the classroom and children will have the opportunity to take part in role play to buy and sell. There will also be a focus on sharing items out and splitting objects, such as play doh, into parts as an introduction to the concept of whole and parts. Some children will be beginning to understand simple positional language such as in, on, under while other children will be looking at first and last in a familiar routine.

Literacy/Communication

This term, The Adventurers will continue to visit the school library and listen to a story being read to them. The children will have opportunities in class to read storybooks by themselves or have an adult read to them. Some of the children will then further their skills by retelling parts of the story and also sequencing the story in the correct order. There will be a focus on writing this term. Some of the learners will be concentrating on writing their name, either by overwriting or copying, while some children will be writing various CVC words and leaving spaces between words.

Diary

Our P.E. days are on Wednesday and Friday mornings and the children should be wearing soft shoes and shorts to the gym hall. We will continue our outdoor learning on a Monday afternoon and the children are welcome to bring in a change of clothes or shoes if they wish. We will continue going to Assembly on a Wednesday afternoon and further develop our cooking skills on a Thursday. Please do not hesitate to get in touch if there is anything we can help with.

Thank you for your continued support.

Mrs Marturano - Class Teacher

Miss Coleman - EYP

Ms Barcock and Miss Dickson - PSAs
