

Classbase 11 - Mrs Jarrott and Mrs

Mclean

Term 2 2025-26

Dear Parents and Carers,

What a lovely term 1 we have had, thank you for all your support so far. We look forward to welcoming you to our school for our open afternoon in October. We are here to help so please don't hesitate to get in touch if you have any questions.

**Mrs Jarrott/Mrs Mclean Class Teacher and
Mrs Blakeley EYP**

Health and Wellbeing

This term we will continue to support the children with their daily routines and extend these with visits to outdoor areas in the school grounds and the gym hall. The children will have the opportunity to explore our PE equipment as well as taking part in outdoor learning in a safe space.

Numeracy and Maths

The children will be exploring objects and shape through play activities this term. They will focus on stacking and posting objects as well as making pictures with shapes. Finally, they will continue to experience number by focusing on nursery rhymes and exploring quantities through heuristic play.

Literacy

In Literacy we will focus on fine motor skills, developing finger strength, to help support the children when they use small tools. We will experiment with mark making activities involving different sensory experiences and encounter activities which will further develop listening skills, including 'What's in the Bag?'.

Information

- PE is on Wednesday and Friday. Please provide shorts and trainers for this.
- Outdoor learning will take place on Thursdays. We have waterproof clothing for the children to wear. Please provide wellies for us to keep in school.
- We are a nut free school. We have pupils and members of staff with allergies so please don't bring snacks with nuts to school (Nutella/hazelnut chocolate spread, snickers, bueno etc.). Thank you.
