

CB7 Curriculum Outline Term 2

Dear Parents and Carers,

We can't believe a term is over already in CB7. All the pupils have settled back so well and are recognising our class rules and routines.

Kind regards,

Rachael Watt, Class Teacher and Sandra McLuckie, EYP

Health and Wellbeing

We have gym on a Tuesday and Friday this year so please make sure pupil have a kit in their bag or at school. Students will be learning basic hockey skills like passing, shooting, and teamwork while playing safely in gym. CB7 will learn basic cooking skills to prepare healthy meals and develop confidence in the kitchen.

Literacy

Reading - This term we will be studying Zog to help our understanding of our interdisciplinary learning. We will explore the story's themes and characters, and create their own text through drawings, sequencing or colourful semantics to deepen understanding and spark creativity.

Writing - CB7 will be using colourful semantics to help their understanding of writing. Some will sequence the pictures and words to build sentences while others will be able to write theirs.

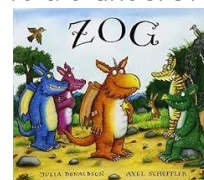

Talking and Listening - We will be using pictures and visual aids to practise talking and listening skills, helping them express ideas and understand others more easily.

Numeracy

In Numeracy, we will continue to extend individual targets in number. In CB7 we will continue to learn through data handling, some will look at graphs and tally marks whilst others will focus on grouping activities. We will also be looking at position and movement through activities to learn our left and right and how to follow simple directions.

Interdisciplinary Learning

This term we are learning what things we should not touch or eat to stay safe, and what medicines and harmful substances mean. We will use the book Zog by Julia Donaldson to aid understanding of the topic.

During this term we will also learn about Halloween, Fireworks and Christmas through creative art activities and practical sensory activities like bobbing for apples and dressing up.

Outdoor Learning

We be learning to explore outdoors to find and identify natural items, helping them learn about nature and practice observation skills. To do this we will learn different skills in patience, identifying and grouping objects and learning about plants and wildlife. Please remember to provide welly boots so we can go out in all weather.

Reminders

PE

Please make sure you have gym kit (black shorts, black plimsolls and white T-Shirt) at school or in your bag on these days.

Nut Free School

We are a nut free school. We have pupils and members of staff with allergies so please don't bring snacks with nuts to school (hazelnut/Nutella chocolate spread, snickers, Bueno etc.) Thank you!

Expressive Arts

Music - CB7 will use Charanga to learn music skills like singing, playing instruments, and understanding rhythms and melodies.

Art and Design - We will create artwork inspired by the story Zog, using drawing and painting to express their ideas and imagination. Also we are going to focus on using natural products like leaves to aid expressing ideas in art.

Drama - CB7 will use characters from Zog to act explore characterisation through tuff trays and sensory stories.
