

# PRIMARY 1M-TERM 3

Dear Parents and Carers,

We hope this curriculum newsletter will provide you with valuable information about what learning experiences your child will be participating in throughout term 3.

Kind Regards,  
Miss Milliken

## HEALTH AND WELLBEING

In term 3, we will focus on the importance of being active. We will look at different ways of being active to keep our bodies healthy. We will also explore different foods, learn where food comes from and prepare and try a range of foods. In P.E. we will be participating in a block of fun fitness. We will learn different ways to raise our heart rate and we will be able to explain how our body changes during this time.

## LITERACY

This term, we'll continue our phonics journey by exploring more single-letter sounds. Children will take part in various activities that help them learn how to form each letter, recognise the sounds they make, and blend them together to read short three-letter words. We will also continue to focus on reading and writing tricky words. In writing, we will continue looking at descriptions and focus on objects shape, colour, size and texture.

## NUMERACY

We will continue to develop our confidence when taking addition and subtraction calculations using concrete materials, pictorials and number lines. We will begin to study the days of the week and recognise digital and analogue clocks. We will also explore symmetry and use ICT to create a symmetrical picture. Through play, we will measure objects in order of length or weight by comparing them.

## LEARNING ACROSS THE CURRICULUM

During this term we will learn about Scotland and why our country is special and unique. We will explore Scottish stories, songs, traditions, food and culture. We will learn a poem throughout this term for the Burns Competition. This year, Primary 1 are going to learn the poem 'Roguey Poguey'. In Religious Education, we will discover the importance of Easter and the different ways that it is celebrated.

## REMINDERS

**P.E. days** – Monday and Wednesday

Children require a gym bag, shorts and gym shoes. Gym bags will then remain in school and will be sent home at the end of each term to be freshened up.

**Outdoor Learning** - Outdoor learning will take place on some Tuesday's. Please ensure that your child has suitable footwear.

**Homework** - Homework will continue to be issued weekly to be returned on a Friday. Please refer to Learning Journals for homework updates.
