Health and Wellbeing

Our whole school focus this term is on building positive relationships, which we will explore through a range of activities and discussions in class. We will focus on developing positive relationships with others, understanding the qualities of a good friend, and learning how to communicate and work well together.

P.E

In PE we are developing our team building skills in basketball and our agility and balance through gymnastics.

P.E. days are Wednesday and Friday.

Expressive Arts

Drama - We will be working on our improvisation and role play skills through our class novel.

Music - We will be developing skills in listening and analysing a range of music linked to our class novel and topic.

Art - We will explore the seven visual elements of art, giving opportunities to look closely at and discuss the work of different artists. We will share thoughts and feelings about a range of artwork while developing understanding of colour, line, shape, form, texture, space and value.

Numeracy

This term in Primary 6, we will be developing our mathematical understanding through our focus on patterns, expressions and equations, and money. The children will explore and identify patterns, use expressions and equations to solve problems, and develop their understanding of money through practical and real-life contexts. We look forward to building their confidence and problem-solving skills throughout the term.

Homework

Homework will be issued on a Monday and collected on a Thursday. There will be Literacy and Numeracy tasks. Homework will be issued from Monday 7th September.

Literacy

Reading - This term we will continue to develop our comprehension skills through a variety of texts including our class novel 'The Nowhere Emporium', working in groups and independently to further our understanding of issues covered.

Writing - Our focus this term is to up level our writing. We will focus on the features of writing. We will also work on improving our handwriting.

Talking and Listening - We will be engaging with attention and listening lessons. We will be developing skills in active listening.

Topic - This term, we are going to have fun comparing our local town, Irvine, with France. We'll discover what is the same, what is different, and learn lots of exciting things about both places!

Science - This term, we will be learning about water and exploring the processes and different chemical changes.

RME - This term in RME, we will explore Christianity and other world religions, learning about different values and beliefs.

ICT -

We will develop our presentation skills using PowerPoint including inserting text and images.

1+2 Languages -

Mrs Quirk will lead Deaf Studies and BSL.

Mrs McConnell will lead French.
