Health and Wellbeing

Our focus for Health and Wellbeing this term will be building positive relationships. We will complete a range of activities to support this.

P.E

In PE we are developing our team building skills in netball and our agility and balance through gymnastics.

P.E. days are Tuesday and Friday.

Expressive Arts

Drama - We will be working on our improvisation and role play skills through our topic.

Music - We will be developing skills in listening and appraising a range of music linked to our topic.

Art - Our topic will create opportunities for the children to develop their knowledge and skills in colour mixing and shading.

Numeracy

This term our main focus will be developing skills in using addition, subtraction, multiplication and division. We will be using a 'Thinking Classroom' approach to solving problems.

In addition, we will be exploring the properties of 2D and 3D shape. We will also investigate symmetry.

Literacy

Reading - This term we will develop our comprehension skills through a variety of texts, including our class novel 'Tales of a Fourth Grade Nothing', working in groups and independently to further our understanding of SHORS.

Writing - Our focus this term is to up level our writing. We will focus on the features of a description including openers and connectives. We will complete writing activities daily.

Talking and Listening - We will be engaging with attention and listening lessons. We will be developing our skills in active listening.

Topic

Our topic this term is Natural Disasters. We will explore a range of weather phenomenon and seismic activities.

We will research in pairs and present out findings to the rest of the class.

RME

We will focus on Pesach. We look at the beliefs and traditions associated with the celebration.

ICT

We will develop our presentation skills using PowerPoint including inserting text and images.

Science

In Science we will be investigating light. This will include how it is created and how it can be used.

We will be visiting the Science Centre to support this topic.

Homework

Homework will be given out weekly on a Monday. It may include a mixture of Literacy, Numeracy, Topic or HWB.
