

PRIMARY 2/1- TERM 1

Dear Parents and Carers,

I hope this curriculum newsletter will provide you with valuable information about what your child will be learning in their first term in Primary 2/1. We are really excited about the year ahead!

Kind Regards,
Miss Girvan.

HEALTH AND WELLBEING

In class, we will be getting to know our new friends and learning all about Elderbank's 3 Golden Rules.

***Wonderful Walking**

***Amazing Manners**

***Fantastic Friends**

In P.E. we will be establishing routines, participating in gymnastics and developing greater ball control.

LITERACY

This term we will continue to develop our phonological awareness through a variety of games and activities. We will also be working on our attention and listening skills with a focus on 'Give me 5' listening. We will be developing our fine motor skills to be able to form letters and numbers correctly.

Some of us will be exploring single sounds and others will be using the sounds we already know to read and write short words.

NUMERACY

We will begin this term by learning about pattern and 2D shapes.

We will also explore numbers and become confident recognising numbers, counting forwards and backwards from a given number and identifying missing numbers.

Each week we will also focus on number formation.

LEARNING ACROSS THE CURRICULUM

Our topic this term is 'All About Me'. We will be exploring emotions, likes and dislikes, families and our wider community.

Through music, we will sing familiar nursery rhymes and songs and use simple percussion instruments to keep a steady beat.

Within our classroom we will have lots of opportunities to play, draw, read and build.

REMINDERS

P.E. days – Monday and Tuesday

Children require a gym bag, shorts and gym shoes. Gym bags will then remain in school and will be sent home at the end of each term to be freshened up.

Homework - Homework will be issued on a Monday and returned on a Friday. More information about this will be given out soon.
