

PRIMARY 2- TERM 1

Dear Parents and Carers,

We hope this curriculum newsletter will provide you with valuable information about what learning experiences your child will be participating in throughout term 1.

Kind Regards,
Miss Ryland

HEALTH AND WELLBEING

In term 1, we will focus on our emotions and how to be safe and healthy. We will look at the different emotions we can feel and regulation strategies we can use. The children will look at the importance of hygiene and staying active. We have created our class charter and class rules together, which we are all expected to follow. In P.E. we will be participating in a block of team games and gymnastics.

LITERACY

In primary 2, we will continue our phonics journey this term. We will start by consolidating our diagraphs that we learnt in Primary 1 and then move onto new diagraphs. The children will be exposed to a new reading book each week and will focus on developing their decoding skills. In writing, we will focus on sentence structure and description texts. We will have a variety of play experiences to support their learning in literacy.

NUMERACY

We will begin the year learning about numbers to 100. We will learn the number names, how to write the numbers and the order of numbers through sequencing. The children will also learn about place value and partitioning numbers. We will consolidate our learning of adding by counting on. Through play, we will also explore measure and link this to our learning across the curriculum.

LEARNING ACROSS THE CURRICULUM

In term 1, our learning will be centred around space. The children will explore the wonders of the solar system and learn about the Sun, Moon, Earth and other planets. They will investigate how the Earth, Sun and Moon are connected and explore patterns such as day and night. Children will develop their understanding of how people explore space and learn about astronauts, rockets and space travel.

REMINDERS

P.E days- Wednesdays and Fridays.

Library- Every second Wednesday.

Learning cafe- 30th September

Coffee morning- 25th September

Homework- Issued on a Monday, returned on a Thursday.
