

Dear Parents and Carers,

What a lovely term 1 we have had, thank you for all your support so far. We will continue to keep you updated through our curriculum outlines and Learning Journals. If you have any questions, please get in touch.

Mrs Connelly/Mrs Mclean Class Teacher and Mrs Burns EYP

Health and Wellbeing

This term we will be building independence by encouraging the children to take responsibility for their personal belongings. Children will be supported to make choices related to their learning and emotional wellbeing. As a class we are going to investigate the 5 senses through a mixture of interactive experiments and play.

Numeracy and Maths

In numeracy, we will be starting a whole class topic looking at measure. We will explore weight, length, and capacity through play and targeted learning. In addition to the children's individual targets, they will encounter regular activities to extend their number sense.

Literacy

In Literacy we will be focusing on developing our attention and listening skills. We will continue to use Attention Autism activities to support this as well as small group tasks. The children will be exploring sounds and words alongside our Core Word Programme. We will also continue to develop our fine motor skills.

Learning Across the Curriculum

Our topics this term will be Planet Earth and Dinosaurs. We will also have themed activities related to Halloween, Guy Fawkes, St Andrew's Day and Christmas. The children will use the skills they have learned across the curriculum to celebrate these events.

Information

- Any important information will be communicated through Learning Journals. Please feel free to share any news and photographs from home.
- PE is on a Tuesday and a Thursday.
- We are a nut free school. We have pupils and members of staff with allergies so please don't bring snacks with nuts to school (Nutella/hazelnut chocolate spread, snickers, bueno etc.). Thank you.
