A Note from Mrs McGuire

As we settle into the new school year, it has been wonderful to see our school filled with smiling faces, laughter and a real enthusiasm for learning. The children have made a fantastic start to the term and have quickly embraced new routines, opportunities and challenges. It has also been lovely to see our pupils looking so smart in their school uniforms and taking pride in being part of our school community. A very warm welcome to all our new pupils and families. We are delighted to have you as part of our school and look forward to a happy, successful and rewarding year together.
