

Welcome back to Gateside!

P1 HAVE BEEN SUPER STARS! 🌟😊

- Seesaw classes have been updated but please get in touch if you cannot see the posts, messages or announcements.
- Please remember to label all clothing.
- Please pre-order lunches as it would save a lot of time in the morning and ensure our learners can get started their morning tasks sooner rather than later.
- P.E. days are Thursday and Friday for everyone.
- Healthy snacks at interval are highly encouraged.
- Please check out the year planner and add dates to your diary. We have our first Open Evening on Tuesday 12th September 5-7pm.
- Mrs Agnew is always happy to help on the phone or at the school reception.
- CK Contracts have been busy extending our path and building raised beds. Our Early Years families have already started using the new path.
- Please be careful in the field as the ping pong table has been damaged and is unsafe. NAC has been informed.
- Could P1s check blue bags every night and go over sounds. Mrs Reid has also assigned a few fun seesaw tasks. Please take a look.
- We will be in touch in the near future with a date for the next Parent Council Meeting.
- Extra Curricular Activities will be up and running soon.
