Welcome back to Term 2!

We have a busy term ahead with lots of quality learning experiences on offer. The children will be working on their new learning targets and will also be exploring the key skills they need for life, learning and work. This will include the children having further opportunities to lead their learning. Skills based learning is part of our school improvement planning this session and our staff are working with their cluster colleagues to develop this. We are all looking forward to the journey ahead.

Heads Up...

Parents/Carers are welcome to collect their child at 12.15pm on the afternoon of the Hallowe'en Party and return to school at 1.20pm. Alternatively, parents/carers can assist their child with their costume at 1pm or send a costume in with their child for them to change themselves. Could all children please bring an apple for dookin'!
