Jan-feb Term 3

UNCRC Article 28 - The right to have access to education

Welcome back to 2024 and the start of Term 3. Each year we ask questions through surveys and forms via Seesaw, open events etc. to gather your opinions about the service we provide to help us continuously improve. Please scan the QR code to complete the survey. Your time and contribution are highly valued - <https://forms.office.com/e/2r43Q3iEtm>

We have a local authority school review on 30th/31st January where staff from North Ayrshire Council will visit classes, speak to staff, pupil and parent groups to validate our own self evaluation for school improvement. If you are available to attend a parent group meeting on Tuesday 30th January at 2.15pm please contact Miss Agnew at the school office and we will get back to you.

P4-7 reflected on their skills learning last term and have used their Pupil Voice to select the following skills to focus on in Term 3:

**Adapting (Self Management) Feeling (Social Intelligence)
Creativity (Innovation)**

Jan/feb learning opportunities will be centred around a Scottish theme.

Mr Wilson, Mrs Ferguson and Mrs McCrindle will continue to support classes covering our staff absence. Ms Kozar, BA I student, starts on 29th January and will be working in all classes.

Heads Up...

UNCRC Article 6- The right to life, survival and development.

***Scots/Burns Poems will be issued this week.
Class comp: 5th Feb. School comp: 6th Feb.**

***Could children bring in waterproofs and wellies for Tuesdays and Thursdays if they would like to go in the field at intervals.**

***Wellies/boots and warm jackets would also be great to have on Wednesdays for our House Afternoons and outdoor learning. Thank you!**
