UNCRC Article 28 - The right to have access to education

We are excited to welcome HMI and the Care Inspectorate on our first week back. Thank you to our parents/carers and our local community partners that will meet with them this week. Your support is greatly appreciated.

On Good Friday we had a group of keen helpers from our Parent Council that spread out the stones between our planters - thank you!

Multi Sports and Netball clubs start on our first week back. If your child would like to participate that has not yet been, please complete the online form or contact Miss Agnew at the school office.

Mrs McGowan is looking forward to starting cycling proficiency lessons with our P6/7 children on Thursdays - please remember your bikes! These can be stored safely in school if you are unable to bring them to and from school.

P4-7 will continue their recorder lessons on Tuesdays with Mr Walsingham from the NAC Music Service.

Heads Up...

UNCRC Article 6- The right to life, survival and development.

*Thank you for supporting our healthy snacks at play time.
