P1/2 Sophia P3/4 Joseph P5/6/7 Zander

Winning House Wk 7 – Spiers

## Wider Achievement Awards

Harris - well done for moving up to Level 2 swimming

### Notices & News (Article 13- Sharing thoughts freely)

- Welcome back everyone! We hope you all had a restful holiday. Staff enjoyed their break and are back recharged and ready for the exciting term ahead.
- As Ms Agnew moves on, we are pleased to welcome Mrs Hogg to our school office on an interim basis until our new Education Business Assistant begins. Mrs Hogg has worked in our office before and will be happy to assist you both on the phone and in person.
- Our P1-7 Hallowe'en Party will take place on Friday 31st October at 1.30pm. Children may go home for lunch at 12.15pm to change into their costumes and should return by 1pm. Alternatively, children can change in school, or parents/carers can come in at 1pm to help them get ready. The Hallowe'en Parade will begin at 1.30pm in the school hall, and all parents/carers are warmly invited to come along and watch. After the parade, parents/carers will leave to allow staff and pupils to enjoy fun games and some traditional apple 'dooking'.  
🍏 Please remember to send your child to school with an apple that day!
- If you would like to obtain a PVG to help with school or Parent Council events, please pop into the school office to collect a form or give us a call. We'll need your name, address, email address, and date of birth, along with three forms of ID (one must be photographic).
- Please pop your blue tokens into our slot at Kilbirnie Tesco to help support our new football strip request. Every token counts — thank you for your support!
