

*Dear Parent/Carer,*

*Thank you to everyone who managed along to the November Learning Conversation and to everyone who completed the annual school survey. We were delighted to see so many of you on the evening and even more delighted to see the survey results were very positive.*

*We also had another successful Learning Café on the theme of reading at the start of November. When asked for suggestions for the January Café, one family suggested we made it Scots themed to tie in with our Burns work, so that is exactly what we'll do! Save the date of Friday 12<sup>th</sup> January for the Scots themed Learning café.*

*Our children have been busy out in the community representing the school and participating in local events. Sadly, North Ayrshire Schools are not using SeeSaw at the moment so look out for pictures on our school Twitter page (now known as X) I have also put some pictures of some of the events in this newsletter!*

*Our class Excellence in Enterprise has started and I am sure the children have been telling you all about their business plans. We look forward to seeing you all at the school fayre on Friday 15<sup>th</sup> December where the classes will be competing to see who makes the most money!*

*Read on to see what we have been up to and find information and dates for December.*

Best wishes

# FAMILY LEARNING AT GLEBE

We are very lucky to have Orlaigh working here at Glebe most Thursdays as our Family Learning Worker.

Orlaigh has delivered a whole range of family learning activities in literacy, numeracy, outdoor learning, science and emotions this session already.

We have spaces for family Lego on Thursday afternoons if families wish to participate.

Please look out for the flyers in emails or get in touch if you wish to come along!

Our Glebies had a great day at the Portal for North Ayrshire Schools Day of Dance. Hundreds of children performed a variety of Scottish dances representing their respective schools. Thank you to our P7 Teacher Miss McNair and Mrs Steer our parent helper for running dance club and for taking the children to the event!

[Our School P5-7 netball team had great fun at the Irvine Schools Tournament. 2 wins and a draw - a super effort and fabulous teamwork! Thanks to our P7 Teacher Mrs Singleton for running the club and for taking the children to the event!

[Our School Football team did brilliantly at the Irvine PS Tournament. 2 wins and a draw- no goals conceded- go Team Glebe! Thanks to our P5/6 Teacher Mr Elliott for running the club and to CT Mr Main for taking the children to the event!

# WORLD OF WORK

P5/6E enjoyed dressing up as riot police when some of our parents/carers shared what they did in the World of Work as part of our Enterprise topic. It has been great to welcome lots of families into school to share the skills they have to perform their jobs.

If you have a skill related to your job that you could share with your child's class, or another class in the school, please get in touch we would love to have you bring jobs to life for our pupils.
