20th February 2026

Dear Parents and Carers,

I have thoroughly enjoyed my first week back at Glebe. It has been wonderful to return, and I want to extend my sincere thanks to our staff, families, and especially the children for such a warm and welcoming start.

It has been a real pleasure spending time with our new P1 pupils. I am so impressed by how settled and confident they already are in class. They have clearly grown since the transition visits we shared in May and June.

This week, I have spent time reviewing pupil attainment and achievement, visiting classes, and meeting with all class teachers to discuss assessments, data, and GIRFEC (Getting it Right for Every Child). There has certainly been a lot to catch up on. If there is anything you feel I should be aware of regarding your child or family, or if there is anything you would like to discuss, please don't hesitate to get in touch.

There are lots of exciting events coming up. Classes will be participating in lessons from History Alive, and we have planned visit to the Science Centre. I am also looking forward to seeing families at the next Learning Café, where we can share and celebrate the children's learning.

I will continue to spend time between Glebe and St Bridget's over the coming weeks as I support them in preparing for their Education Scotland visit. If you need to speak with me during this time, please contact the school office, and they will be happy to take a message. I will return your call as soon as I can.

Finally, I am very much looking forward to catching up with everyone at the next PTA meeting on 4th March, and I hope to see as many of you there as possible.

Best wishes

Mrs. Elaine Sanderson

Head Teacher
Glebe Primary School
