At Glencairn our vision is to work together, help and support each other to be the best we can be and reach our full potential.

We are encouraged to be independent and take responsibility for our own learning.

We strive to be respectful, know our rights and fulfil our responsibilities.

This helps to ensure everyone feels happy and secure within our school community.

Rights Respecting Schools Award Glencairn Primary

**Parent/Carer
Information Leaflet**

The Rights Respecting Schools Award puts children's rights at the heart the school.

Unicef works with schools in the UK to create safe and inspiring places to learn, where children are respected, their talents are nurtured and they are able to thrive. The Rights Respecting Schools Award embeds these values in daily school life and gives children the best chance to lead happy, healthy lives and to be responsible, active citizens.

Each week at assembly, we focus on a different Article from the UN Convention on the Rights of the Child (UNCRC).

When looking at **Article 8** (*Governments must respect every child's right to a name, a nationality and family ties*) each child in the school decorated a hand print to show their name and nationality.

The handprints were then displayed within the school.

Article 24: Children have the right to good quality health care, clean water, nutritious food and a clean environment so that they will stay healthy.

Through taking part in the Rights Respecting Schools Award we have achieved our **Commitment Award** and are currently working towards our **Silver Award**.

These awards are an opportunity for our school to receive recognition for the policies and practices embedded within our school community.

Article 19 and 36:

Every child has the right to be safe.

Article 28: All children have the right to a good quality education.
