New Door System

From next week there will be a new door system on the Ground floor at interval and lunchtime. The doors will lock after a period of time and will not open until the 5 minute warning bell sounds before the end of interval/lunch.

If you push the door and it does not open then it is locked!

Do not force the door open as any damage will have to be paid from the school budget, the money that pays for school resources (wood in Tech, food in HE, PE/music equipment, jotters etc), minibus, day events and outings.
