Over the past session pupils from Haysholm, James McFarlane, James Reid and Stanecastle schools have participated in various programmes of work. Middle Phase pupils have been learning about enterprise and different work place environments. Senior Phase pupils have participated in volunteering and work experience opportunities that have included: 3TFM, the Three Towns Motor Project, Eglinton Community Gardens, Fullerton Connexions café and Ayrshire College. We hope to continue offering our pupils fantastic opportunities and experiences which will help to develop skills for learning, life and work.
