Primary P2H Class News

Welcome to our Termly Information
We hope you will find it useful and interesting.

Term: Term 1

Teacher:

Session: 2025-2026

Literacy

Health & Wellbeing

This term we have started our literacy program with the class reader—The Lighthouse Keeper's Lunch. We are looking at the characters, setting and plot. We will continue to explore these areas of text through our individual reading books. We will also be developing our predicting skills and answering questions in full sentences.

Our writing focus this term is personal writing, writing about ourselves and our experiences. Our target will be to use basic punctuation including use of capital letters and full stops.

We will also be developing our talking and listening skills in class as we establish our class routines.

P2H have been working together to create a class charter. In our class we have decided to-

Listen to each other, use gentle hands and feet, use kind words, help each other, try our best, share and be mindful!

We are also using our zones of regulation and the strategies we have learned to help keep

Social Studies

Maths & Numeracy

Our topic this term is based on the story of the Lighthouse Keeper's Lunch. We will be finding out about real lighthouses, looking at living by the sea, and using maps to investigate coastal towns, like Largs!

Our focus this term will be place value. We will be working on numbers to 100. We will be using the vocabulary- before, after, in between, more and less than. We will be learning how to add 10 and multiples of 10 to a given number.

We will be using Sumdog in class to consolidate our learning.

We will be learning the names and properties of 2D and 3D shapes.

STEM

We are excited to see the variety of Lighthouses made at home for our family challenge, We will also be taking part in a STEM challenge in class to make a 'Seagull-

Modern Languages

P2H will be learning how to greet each other in French during our morning check-in and through some French songs and games. We will also revise numbers and colours in

Expressive Arts

We will be drawing and designing Lighthouses using a variety of media. We will be learning how to mix colours to create some Autumn Art. If you have any 'Autumn Treasure': leaves, acorns, conkers pinecones etc. please bring them into school to share

RME

Digital Technologies

We will be looking at the Christian bible story of Baby Moses and exploring

This term we will learn about online safety through a variety of stories including Digi
