Dear Parents/Carers,

As we move into the final weeks of the school year, we have lots of exciting events and important updates to share with you. Please take a few moments to read through the information below.

Class Structures – August 2025

Next session, we will be reducing from 12 classes to 11 across the school. As a result, we have made some changes to our class structures. Please see below for the new class structure for next year:

1	2	3	4	5	6	7	8	9	10	11
P1	P2/1	P3/2	P3	P4	P4	P5	P6/5	P6	P7	P7

We are currently in discussion with our class teachers to finalise the most appropriate groupings for each class. Please be assured that we carefully consider the needs of all our pupils during this process. While we aim to maintain friendships where possible, we cannot guarantee that children will be placed in the same class as their friends.

We do, however, provide many opportunities throughout the year for children to work together across year groups and we continue to support positive social interactions in the playground.
