## *-School Uniform Recycling Scheme-*

*Dear Mums, Dads, Grans, Grandpas and Friends,*

The Eco-Committee are about start an exciting long term Eco Project.  
Our first step is to set up a School Uniform Recycling Scheme.

We are very pleased that the Parent Council will support us in this work.

We are looking to get this well under way for our return to school after the Easter Break.  
This is a good time to offer this service to our new Early Years and P1s coming in August.

We will then continue to run the School Uniform Recycling Scheme throughout the year to support the needs of pupils as they grow out of their uniforms.

We will then look to increase the project through expanding the recycling scheme to **Hallowe'en Costumes** and **Christmas jumpers**.

Please hold on to these items.

We will come to you in the first half of the new session to recycle these too!

To start we would welcome throughout Term 3  
all uniform items your children have grown out of:

sweatshirts, polo shirts, trousers, skirts etc.

We would also welcome black PE shorts and plimsolls.

*Thank You  
Eco  
Committee*
