Have Fun From Day One

Puffy Paint recipe

You will need:

A mixing bowl
½ cup of water
1 cup of flour
1 cup of salt
Lots of food colouring colours

What to do:

1. Measure out the water, flour and salt into the mixing bowl and mix them together.
2. Let your child choose a colour and add the food colouring to the mixture.
3. Have fun painting!
4. Once your little one has finished creating their masterpiece, leave it to dry overnight.

Top tip

If your paint is too thick, try adding some more water to the mixture.
