

SPORTS DAY 2020

Welcome to our mini Virtual Sports Day project!

Throughout the course of this week, you are going to be planning and preparing your very own Sports Day!

I have arranged the planning into daily tasks and by Friday you'll be ready to host, and participate in, your own sporting event!

I can't wait to see some photos and hear all about your event!

SPORTS DAY 2020

Mon

- Decide on a name for your Sports Day- you might want to include your family surname, street name or area that you live.
- Create a poster to advertise your Sports Day. Remember to include the date/time/location. Your poster should be A4 size and should be colourful and eye catching!

SPORTS DAY 2020

Tues

- Decide on 5 sporting activities from the grid which you want to include in your event. You might want to consider what the weather forecast looks like for Friday!
- Write down your chosen activities and make a list of any equipment you need.
- Start to gather equipment (with the permission of an adult.)

SPORTS DAY 2020

Wed

- Design number cards to be worn by the participants during the event. These should include your event name.
- Create medals or certificates to reward the winners of each event.

SPORTS DAY 2020

Thurs

- Plan some healthy snacks for the participants to enjoy after the event.
- Athletes will also need plenty of water to keep them hydrated- you might want to make up some ice if you have bags or trays to do so!

SPORTS DAY 2020

Fri

- Set up your events and arrange any equipment that you need.
- Lay out medals/certificates ready to present to winners.
