

School Uniform Recycling Scheme

2021/22 Refresh of Stock

Dear Early Years and Primary School Parents & Carers

The conclusion of the 2020/21 session is nearly upon us. However, we are already putting things in place for the commencement of next session.

Focusing on uniforms, we would be very grateful if over the weekend and into the last week you could look out outgrown school clothing - uniform, jackets, footwear and PE items. We would welcome throughout the last week of school any items that you could donate.

However, you may wish to hang on to items for the last week. Therefore, we are happy to accept items during the first two weeks of the summer break - last two weeks in June. A donation point will be set up at the main entrance.

Then, in the first week of July we will put on display our range of school clothing for you to view and take away in preparation for the coming session. All clothing items will be displayed in our sheltered outdoor space next to our main entrance.

We will run the School Uniform Recycling Scheme throughout the year to support the needs of pupils as they grow out of their uniforms.

*We will then look to expand the scheme again to **Hallowe'en Costumes**. Please hold on to these items and we will come to you nearer the time. However, if you are keen to pass them just now then please add them to your uniform donations over the coming weeks.*

Thank You!
Paul
