P7 LEAVERS HOODIES - 2023

Dear P7 Parents,

Now that we have started the new school year, P7 will be in their final year at Loudoun-Montgomery. For them this will be an exciting time. A Leavers Hoodie will add to this excitement.

The Parent Council this year have again agreed with the school to make a significant contribution towards the cost. Leavers Hoodies cost £16.50 and funding has been sourced to pay £12.50 towards the cost of each Hoodie.

They will be purple in colour, have the school badge on the front and a vinyl *Leavers 23* on the back, with all P7 names inside the number 23. Mr Bleakley has again suggested that the Hoodies can be part of the school uniform for P7 and pupils can wear them to all school activities.

Please complete the order form below & return to school with your £4 contribution by Monday 12th Sept.

Please accept our apology for the short return time but we are keen to get the orders in as quick as possible so that they can be placed early and our P7 children can get more use out of them.

If you wish to pay the £4 after the September break then please contact the school office to let them know. Nonetheless, please still return your order form by this coming Monday morning - 12th September.

Yours faithfully,

Claire Dickson
