Dear P7 Parents / Carers,

P7 TO S1 TRANSITION

We are pleased to be able to share with you at this early stage an outline of key transition events relating to P7 to S1 pupil transition. As the session progresses we will be able to provide further information.

CATCHMENT AND PLACING REQUESTS

Loudoun-Montgomery is part of the Irvine Royal Academy Cluster. Our pupils live in a variety of locations across Irvine and beyond. If a P7 child lives out with the catchment for the secondary school their parent wishes them to attend then a Placing Request is required to be submitted. Submission of Placing Requests for S1 should be done early in the New Year and before 15 March. North Ayrshire Council will then write to parents by 30 April with their decision. The following link will allow parents to identify the catchment secondary establishment for their address. If your preferred secondary school lies within your catchment then you will not need to submit a Placing Request.

P7 GENERIC TRANSITION EVENTS – TERMS 1, 2 & 3

Prior to North Ayrshire Council communicating to parents the outcome of Placing Requests, all P7 pupils benefit from generic transition events that will support their progression to secondary education. These inputs are provided by the secondary establishment within each primary school's cluster. Loudoun-Montgomery is part of the Irvine Royal Academy Cluster. Input covers a variety of relevant topic areas, including curriculum, pastoral and world of work. These inputs are delivered within Loudoun-Montgomery and Irvine Royal Academy. Please see the current calendar of events:

EARLY INDICATION OF SECONDARY SCHOOL PREFERENCE

It would be very helpful to Loudoun-Montgomery at this early stage to know what parents' preferences are regarding the secondary establishment that they wish their child to attend. This is only an indication to give the school an early idea about P7 numbers transitioning. We would therefore be very grateful if you could complete the short online questionnaire below. If you have not reached a decision at this time then please select the undecided option.
