Home Learning Pack

Loudoun-Montgomery Weekly Home Learning Activities - Second Level

Feel free to complete as many activities as you wish - try to pick some from each colour.

Literacy Activities			
Use these <i>connectives</i> to help you complete the sentences... We are going to Spain tomorrow <i>unless</i> ... We were happily enjoying our picnic <i>until</i> ... *Suzie was late to the party <i>because</i> ...	Alliteration is a string of words all beginning with the same letter. Eg. "Slowly, silently and stealthily the tiger stalked its prey". Can you write 5 sentences that include alliteration?	Play 20 questions with a family member. One person should think of a character, place or thing. The other person must ask yes or no questions to try and guess the correct answer.	Create a treasure hunt within your house or garden for your family to do. Remember to select things to hide and write clues to help find them.
Numeracy Activities			
Your favourite film starts at 7:30pm. It finishes at 9:20pm. Write these times using 24 hour clock. How long does the film last?	Change each of these into hours and minutes: - 1. 85 minutes 2. 125 minutes 3. 245 minutes 4. 1810 minutes 5. 12 000 minutes	Design and create a numeracy board game to play with your family. Helpful hints: <ul style="list-style-type: none">You will need to create rules for your game.Can you include all 4 operations in your game?Remember to think what resources you will need for your game.	
Health and Wellbeing Activities			
Celebrate! Make a playlist of songs and have a family disco at home. Ensure everyone has the chance to choose their favourite song.	Can you write a letter giving advice to someone who is feeling lonely and missing their friends while schools are closed? You could include your own feelings, advice, positive solutions etc.	With an adult, help prepare a healthy meal for your family to enjoy together.	Chat to a family member about what you would like to be when leave school? Discuss what skills you will need to fulfil this ambition. Draw yourself doing the job and list the skills needed around it.

Family Activity

Have a family quiz night. Each member of the family should create 5 questions to ask everyone else. You could make questions about yourself, music, tv, sport, general knowledge etc. Remember to keep scores, encourage each other and have fun. Think of a team name and you may wish to create certificates or prizes.

Loudoun-Montgomery Weekly Home Learning Activities - Second Level

Feel free to complete as many activities as you wish - try to pick some from each colour.

Literacy Activities	
Collect a mixture of items from around your house and put into a bag. Pick an object and try and describe to a partner using adjectives or descriptive phrases and see if they can guess.	Choose 6 items in your house and write a simile, comparing them to something else. Eg. The fork was as shiny as a diamond.
Write an acrostic poem using FAMILY What does family mean to you? Remember to use descriptive phrases for each letter.	Think of a book that you have read, either in class or at home. Draw and label your favourite scene from the story. Challenge: Write a descriptive paragraph about the scene.

Numeracy Activities	
Estimate the number of items there are in a drawer in your house. Count the number of items. Was your estimate close? How can you improve your estimate?	Make a list of the 3D shapes that you know. Can you find real life examples of these shapes in your home? Can you describe the properties of the 3D shapes?
Test out your multiplication skills using the grid method and your choice from the worksheets provided.	Roll a dice 6 times to create a 6 digit number. Can you write this number in words? Can you rearrange these digits to make the highest and lowest possible numbers?

Health and Wellbeing Activities	
Go on an outdoor walk with an adult. Can you find something that is smooth, rough, colourful, small, big, flat and curved? Challenge: Create a table and record your results. Can you create a graph to go with this?	Create a new game to play in the house or garden. Teach the rules to someone in your family and play! (Eg. This could be a ball game, a new game of tig, a quiz game etc).
With an adult, help prepare a healthy snack for your family to enjoy together.	Write and illustrate a list of things which make you happy. It could include objects, people, activities, treats etc. Remember to justify your choices.

Family Activity

Make a drawing of a face of someone in the family using a writing pencil. Make sure you get all the details correct, for example, their features. Make a family picture by placing them all together and you have a family portrait drawn by you all in 2020.

Loudoun-Montgomery Weekly Home Learning Activities - Second Level

Feel free to complete as many activities as you wish - try to pick some from each colour.

Literacy Activities		
Can you up-level these sentences? (Remember to include exciting vocabulary and punctuation.)	Write the alphabet down the side of your jotter or paper. Can you come up with some WOW words for each of the letters? Challenge: Choose 3 WOW words to use in an exciting sentence.	Can you think of at least 5 different ways to say "said"?
<ol style="list-style-type: none"> The cat walked through the door. Sophie asked her mum to pick her up. 	<p>What could these adjectives be describing?</p> <ol style="list-style-type: none"> Fierce Fluttery Ancient Enchanted <p>You could draw each idea and label to show.</p>	
Numeracy Activities		
Write some 4, 5 or 6 digit numbers. Now write the number which comes before and after each one. Challenge: Round your original numbers to the nearest hundred.	Can you solve the addition and subtraction word problems? Select and complete the worksheet suitable for you.	Can you write these numbers in words? <ul style="list-style-type: none"> 23,983 89 036 105 304 918,031 7,132,859 34,382,002
	Make a timetable of your day noting down the time and duration in 24hr time, eg. 0800 - breakfast (45 mins) 0845 - School activities (1.5 hours) 1015 - Break (15 minutes)	
Health and Wellbeing Activities		
Call, text, or write a short note to someone to thank them for something they have done for you this year.	Ask an adult to help you learn how to carry out some simple household tasks. Perhaps it will be a cleaning task, sorting or tidying or preparing a simple snack or meal for your family.	Choose your favourite piece of music and create a dance routine. (You should create a chunk of movements then repeat) Challenge: Perform to your family then try to teach them the moves.
	Create a poster or leaflet which gives other children ideas of fun activities to keep them busy while schools are closed. Remember to include headings, text and eye-catching graphics.	

Family Activity

If you have pavement chalk, make a 'Hollywood Walk of Fame' on your path. Draw round each persons' hands and write their name. If you don't have any chalk, you can draw round hands and cut them out to create your own family hand collage.
