

A letter from Sarah

Sarah has just moved to a new house
a long way from her best friend.

Dear Jane,

How are you? It is quite nice here but I do miss
all my friends. My new school is all right but I don't know
many people yet.

I have made a den in the garden. I am not going
to let Sam and Anna in unless they know the password.
The password is "starfish".

Our house is very close to the beach. The beach
is sandy. There are rock pools at the far end. I found a crab
in one. Dad says he will buy me a fishing net. We can use
it when you come. I am glad you are coming to stay with
us. I can't wait.

Sam likes his new playgroup and Anna is going to
start in September when she is three.

That is all my news. Please write soon.

Love from
Sarah
