

Disco Lights

How was your Decimal Disco today?
Colour the disco lights next to the statement
that best describes how confident you felt
when completing these calculations:

I found this task a bit tricky and
need more help please.

I could do most of these
calculations by myself, but I
still need a bit more practice.

I feel confident that I can
multiply and divide by 10, 100
and 1000.
