

Summarise what happened in the text you have just read using the flowchart below. The first box has been completed for you.

What does the hummingbird see?

The hummingbird sees the sky change and knows that Storm Erika is coming. It must hide.

It begins to rain – what does the bird do?

Storm Erika arrives – what does she do?

How does the hummingbird find food?

What does she do for the rest of the storm?

What happens after the storm?
