

Re-read pages 6 to 11 of *Hot Spots and Other Extreme Places to Live* to remind yourself about the Arctic Circle. Then read pages 12 to 17. Record your thoughts about each of the three questions in the spaces below.

The looking question is ...

In what ways are the Danakil Depression and the Arctic Circle similar or different places to live?

The clue question is ...

Why is salt like gold to the Afar people?

The thinking question is ...

Would you prefer to live in the Danakil Depression or the Arctic Circle? Give reasons for your answer.

Do you have any questions? Write them here.
