

How many words can you make from the letters in the focus word? Write as many words as you can in the space provided.

For example: made, sent, yes

absent-mindedly

Write your own sentence in the space provided using each of the bold words.

I was **absolutely** certain I had shut the gate.

The very shy child **muttered** "hello" in the tiniest of voices.

The **wounded** soldier rested in hospital.

We **eventually** arrived at our holiday cottage.
