

L.I We are learning to use a slow writing structure to describe a setting.

- Create a title for your setting.
- Sentence one must use at least 3 adjectives to describe what you can see.
- Sentence two must include how the setting makes you feel.
- Sentence three must describe the weather using at least one adjective.
- Sentence four must describe your setting using your senses (what can you hear, smell, touch)
- Sentence five must contain an example of alliteration.
- Sentence six must contain a simile.
- Sentence seven must start with a pronoun.
