

Session 2: Reading (Chapter 3)

Before Reading

Discuss any phrases that the children have collected and discuss how they build a picture in the reader's head. Make links to the children's own writing.

During Reading

Children consider the main question as they read to page 38.

Main question: **Can you summarise the treatment that Dr Fielding and Ulf give the troll? (Y5 t1, Making Inferences)**

Additional prompts to help you sample children's reading:

Page 28: What does Ulf find out about trolls on this page?

Pages 30–31: What does Dr Fielding identify as the problem with the trolls?

Pages 33–37: What is the purpose of the treatments that Ulf and Dr Fielding give the trolls?)

After Reading

Discuss the main question and check that children understand what is meant by 'summarise'. Children write their summaries.

Follow-up: before Session 3, children read to page 48 and identify the sentence that has been used to describe where the wagons come out of the mine. Ask them to make notes about what makes it so effective.
