

S&G**Use of 'a' and 'an'**

Discuss the use of determiners ('a' or 'an') according to whether the next word begins with a consonant or a vowel. Look for examples in the text (*a pirate, an entry, a wave, an instant*). Discuss more words that need 'an' before them, rather than 'a'.

Follow-up: children write the next chapter of the book, based on their idea of the most likely scenario.
