Session 3: Reading (pages 39–56)

Before Reading

Review which elements of myths and legends children predicted accurately.

During Reading

Children consider the main question as they read the story.

Main question: **What is the purpose of the illustrations? How do they help us to understand the story better?**

(Y5 t1, Personal Response and Evaluation of Text)

Additional prompts to help you sample children's reading:

Pages 46–47: What extra information does the picture provide that the text does not?

Page 51: How do the pictures help us to understand the difference in size between the characters?

After Reading

- Discuss the main question, using specific examples from the text.

Follow-up: children find and read another myth or legend that interests them.
