

## Conjunctions

Remind children that two simple sentences (clauses) can be joined together with conjunctions (if, when, because, and, so, but). Find examples in the text and explore clause order. Why did the author make the choice they did?

- Introducing the PCM, tell children that they are going to write a newspaper report as if they were a journalist who had seen the Sasquatch. Ask them to think carefully about how they can impress and excite their readers.
