

31st January, to 4th February, 2022

North Ayrshire 1+2 Languages Development Officer has set 3 challenges:

- Walkabout Lingo Bingo (French or Spanish)
- Alphabet Challenge (French, Spanish, Makaton – or any language)
- Sprinkle Language into Picture Books (any language)

Of course, you can get involved by sharing anything that embraces languages! What a great opportunity to share other languages you speak at home with the wider community!

The school with the most tweets will win a language prize. Tweets can come from families or schools. Remember to tag @languagesnac, and if you are doing this at home, tag your school too! Deadline to tweet is 11:59 p.m. Sunday, 6th of February. Bonne chance/Buena suerte – and ENJOY!!!

Investigate what these words mean by clicking on the links. Go on a walkabout in your local area - can you find 5 in a row during Scotland Loves Languages week 2021?

Take pictures of the ones you find and share on Twitter along with the French word. You could also try making a movie with your photos and adding audio files of you saying the word in French.
